

Everyone's A Theologian

By Dr. R.C. Sproul

Everyone is a theologian. Whether you are a Christian, a Muslim, or an Atheist, you have some idea of who God is. The real question to be asked is, "Are you a good one?" Enter R. C. Sproul.

In his latest book *Everyone's a Theologian*, Dr. Sproul takes the orderly study of God and brings it to an all new level of clarity as he teaches the truth of Sacred Scripture. Like a loving grandfather who reads stories to his grandchildren, Dr. Sproul lovingly brings the truth of the Bible to us in the very readable, very brisk introduction to systematic theology. At only 340 pages, he quickly covers such topics as the study of God, Man, Christ, the Holy Spirit, Salvation, the Church, and the End Times. With the gift of making puzzling subjects understandable, Dr. Sproul leads us into a better comprehension of God and His Word in order that we might better glorify God and enjoy Him forever.
